	<p>Ball Castors (Nickel Chrome Plated) Double Ball bearing in Rubber/PVC Ball etc. Dia :- 37 mm to 75 mm</p> <p>Type : Plate/Bush/Pillar 5/8, 7/8/Kingpin/Threaded Pin.</p>		<p>Ball Castors (Nickel Chrome Plated) Double Ball bearing in Rubber/PVC Ball etc. Dia :- 37 mm to 75 mm</p> <p>Type : Plate/Bush/Pillar 5/8, 7/8/Kingpin/Threaded Pin.</p>
	<p>Wheel Castors (Zinc Plated) Rubotech Steel Pressed Double Ball bearing in Rubber/PVC/ C.I./Disc wheel. Dia :- 27 mm to 100 mm</p> <p>Type : Plate/Bush/Pillar 5/8, 7/8, 9/8, Kingpin/Thread Pin.</p>		<p>Polymer Wheels Only to suit the industries application, Railway Platforms & heavy works in Mines, Quarries etc. Dia :- 25 mm to 300 mm</p> <p>Type : Polymer Width : 1.5" to 3.5"</p>
	<p>Wheel Castors heavy Duty (Zinc Plated) Steel Pressed Double Ball bearing in Rubber/Nylon/ polymer/C.I./Disc wheel. Dia :- 100 mm to 200 mm</p> <p>Type : Plate/Pillar/Threaded/Fix. Also available in Break.</p>		<p>Rubber Tyres Only to suit the application of Rehari etc. Dia :- 150 mm to 300 mm</p> <p>Type : Rubber Width : 1.5" to 3.5"</p>
	<p>Wheel Castors heavy Duty (Zinc Plated) Steel Pressed Double Ball bearing in Rubber/Nylon/ polymer/C.I./Disc wheel. Dia :- 100 mm to 200 mm</p> <p>Type : Plate/Pillar/Threaded/Fix. Also available in Break.</p>		<p>Invalid Chair Tyre To suit the Wheel Chair in Hospital etc. Dia :- 600 mm to 650 mm</p> <p>Width : 37 mm</p>
	<p>Wheel Castors heavy Duty (Zinc Plated) Steel Pressed Double Ball bearing in Rubber/Nylon/ polymer/C.I./Disc wheel. Dia :- 100 mm to 200 mm</p> <p>Type : Fix</p>		<p>Trolley Wheel Fitted with Rubber Tire in nylon Disc Dia :- 50 mm to 300 mm</p> <p>Width : 1.0" to 3.5"</p>
	<p>Nylon Wheels To suit the application of Steel Furniture, Cooler etc. Dia :- 25 mm to 100 mm</p> <p>Type : H.D. Width : 1" to 2"</p>		<p>Trolley Wheel Fitted with Rubber Tyre in MS Disc/C.I. Disc/Zinc Plated Disc. Dia :- 150 mm to 300 mm</p> <p>Width : 1.5" to 3.5"</p>

 <p>Code: 2701</p>	<p>Deluxe Castor (Pressure Die Casting) Godrej type.</p> <p>Dia :- 25 mm to 50 mm Type : Plate/Pillar/Threaded</p>	 <p>Code: 3401</p>	<p>Heavy Duty Nylon Wheel Superior than polymer wheel used in industries, mine, Railway & for heavy works</p> <p>Dia :- 100 mm to 300 mm Type : Nylon Width : 1" to 3.5"</p>
 <p>Code: 2801</p>	<p>Twin Wheel Castor In Nylon Body.</p> <p>Dia :- 25 mm to 50 mm Type : Plate/Pillar/Threaded</p>	 <p>Code: 3501</p>	<p>Forged Castor Heavy duty forged castor for heavy load in trolleys for industries.</p> <p>Dia:- 4" to 12" Width : 2" to 4" Type Forged swivel/Fix</p>
 <p>Code: 2901</p>	<p>Rubber Wheel Made from good quality Rubber to Suit the application of wheel.</p> <p>Dia :- 25 mm to 150 mm Type : knob iron /Nylon, Width: 1/2" to 2"</p>	 <p>Code: 3601</p>	<p>Polyurethane Wheel With good abrasion resistance to suit all application.</p> <p>Dia :- 2" to 8" Type : On Nylon Grari</p>
 <p>Code: 2902</p>	<p>Rubber Wheel Heavy Duty To take extra load as mounted on Iron Garari.</p> <p>Dia :- 100 mm to 400 mm Type : On Iron Garari, Width: 1" to 4"</p>	 <p>Code: 3701</p>	<p>Rivo type Castor (Zinc Plated) steel pressed in double ball bearing in Rubber, Nylon & C.I.</p> <p>Dia :- 25 mm to 100 mm Type : Plate/Bush/Pillar/Threaded Pin</p>
 <p>Code: 2605</p>	<p>Rubber Wheel Medium Duty To suit application for Hospital & Furniture.</p> <p>Dia :- 75 mm to 200 mm Type : On Plastic Garari, Width: 1" to 2"</p>	 <p>Code: 3801</p>	<p>C.I. Wheel (Cast Iron) for Heavy Load</p> <p>Dia :- 1" to 16"</p>
 <p>Code: 3101</p>	<p>Fabricated Castors For Industrial application in Rubber/Nylon/ polymer/C.I./Disc wheel.</p> <p>Dia:- 4" to 12" Width : 2" to 4" Type :swivel / Fix</p>	 <p>Code: 3602</p>	<p>Polyurethane wheel with good abrasion resistance to suit all application.</p> <p>Width:- 25 mm to 100 mm Dia :- 4" to 20" Type : On C.I. Grari</p>

INTRODUCTION:

Pik India is an esteemed organisation who has been in the line of manufacturing Rubber/PVC products since 1978 and is prime supplier for Defence, Industries, Mines, Automobile, Consumer Market.

Pik India serves the industries and other govt. sector with finest Castors & Trolley Wheels.

Regarding products design & quality assurance, Pik India quality assurance backed by well equipped independent laboratory having a team of creative engineers, Technical & Dedicated workers specialized in this line. Pik India manufacture the product with best raw material procured from the best reputed sources in India & abroad. We check the stringent physical and chemical test of the products to ensure that when material reaches you there is no scope for rejection of a single pieces.

We assure you for our quality products and a personalized service at all times and look forward for the over lasting business relationship.

PRODUCT RANGE :

Moulded Rubber/PVC Product : In all type of materials i.e. silicon, Neoprene, EPDM, Nitrile Natural & Other Polymers as per ISI Specification and as per design direction of the customer drawing and specification i.e. Gasket, Grommets, Washers, Rings and Diaphragme, Rubber sheets etc.

Extruded Rubber / PVC Products : In all type of materials as above as per ISI Specification and as per design direction of the customer i.e. Channers, Beedings, Profile, Tubing etc.

Rubber Hose/ PVC Hose (with & without Fittings) : Hydraulic, Steam, Petrol, LPG, Sandblast, Car washing, Air, GAs, Water, Chemical, Welding, Pneumatic, Rockdrill, Cement GROUTING, High power super spray, Brewery & Food, Furnace Coolant, Carbon Free/Heat Resistant Cable Coolant with and without Asbestos Cover, Radiator, Paint Spray and Hot Water, High and low pressure Rubber/PVC Hoses with & without fitting etc.

Welding Cable : Upto 600 Amps and above in HOFR & TRS Quality of Aluminium & Copper Conductor.

Trolley Wheels/Castor Wheels : In Rubber / Nylon/C.I./Polymer/PU and in every sizes and types i.e. swivel/fix etc.

LOAD-CAPACITY OF DIFFERENT TYPE OF WHEEL

Wheel Size	Rubber Bonded	Rubber Tyre	Polymer	P.F.	Cast Iron	Wheel	D.B. Clamp (Sheet Metal)	Forged Clamp Steering Assembly	Fabricated
4x1½"	100	75	100	250	200	4x1½"	100 kg	-	-
4x2"	150	-	300	400	400	4x2"	250 kg	750 kg	500 kg
5x1½"	100	75	170	250	200	4x3"	-	1500 kg	500 kg
